| 4 | <p>I have the knowledge to teach someone how to use Evernote. I use it myself regularly for school and personal use. I can use some of the advanced organizational such as creating Stacks and use the mobile app to gather and organize information.</p> |
| 3 | <p>I have an account and have use Evernote to clip articles, create notebooks and share information with myself and others. I perform most of the learning targets listed below:</p> <p>Learning Targets:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Create a notebook <input checked="" type="checkbox"/> Add notes to a notebook <input checked="" type="checkbox"/> Title a note <input checked="" type="checkbox"/> Add tags <input checked="" type="checkbox"/> Use and Install the web clipper <input checked="" type="checkbox"/> Add text to a clipped note <input checked="" type="checkbox"/> Organize the notes by date clipped <input checked="" type="checkbox"/> Sort notes by tags <input checked="" type="checkbox"/> Move a note to a different Notebook <input checked="" type="checkbox"/> Share a notebook  |
| 2 | <p>I understand the concept of Evernote and have an Evernote account. I am not sure how I can apply the tool to my school work. With assistance from my teacher or a peer I could follow along with a demonstration.</p> <p>Learning Targets:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Create a notebook <input checked="" type="checkbox"/> Add notes to a notebook <input checked="" type="checkbox"/> Title a note <input checked="" type="checkbox"/> Add tags <input checked="" type="checkbox"/> Use and Install the web clipper <input checked="" type="checkbox"/> Add text to a clipped note <input checked="" type="checkbox"/> Organize the notes by date clipped <input checked="" type="checkbox"/> Sort notes by tags <input checked="" type="checkbox"/> Move a note to a different Notebook <input checked="" type="checkbox"/> Share a notebook |
